**DEAR EDITOR...**

**HEAD-ON COLLISION**

Editor  
Torrance Press  
Tragedy comes into our lives at least once in a life-time and it surely did for Mrs. Frank Reyes on the morning of November 7 this year when her husband was hospitalized as a result of a head-on collision.

Her husband is still on the critical list and will be in the hospital at least one month. He will be unable to work for some time after he is released from the hospital.

He worked for people as a gardener and has no insurance of any kind. The car was the only property for which they could have gotten money to tide them over this time of illness.

Mrs. Reyes has no money and no way to earn any. She is expecting a baby December 10. Her brother is just home from Korea and is helping with the children and will be with them while she is hospitalized.

The Reyes live next door to me. She is so worried about their little home they bought . . . \$50 payment at this time is a huge sum.

Three of the six children are of school age. The two girls are eleven and nine and one boy is six. Mrs. Reyes is worried because of clothes for school. She also has three other boys, aged four, three and two years.

The mother needs clothing for herself, too, as well as bedding (blankets) for the beds. Mrs. Reyes wears size 18 now and after the baby arrives she will wear size 16. She does not have anything for the baby either.

Now she urgently needs staple foods and fresh and canned fruits and vegetables. She could also use pans and dishes for there never seems to be enough to go all the way around.

I don't want you to get the impression that Mr. Reyes didn't support his family very well . . . that isn't true at all, because before the accident happened the Reyes were doing nicely, just managing to get by and not having to ask for help.

This is an appeal for help for a nice hard-working family. I will be glad to collect articles for them. I live at 24071 Ocean avenue, WALTERIA and my number is FRONTER 5-6625. The Reyes live at 3915 West 242nd street, WALTERIA. Their number is FRONTER 5-2309.

Yours truly,  
(signed)

It is made in Holland and distributed by Fino Food Processing Co., Burbank, Calif.

(Editor's note: Thank you, kind reader. A check with the above-named company disclosed that the product is now being tried on a retail basis in San Francisco before it will be distributed locally. However, the coffee stretcher may be ordered by writing to Fino Food Processing Co., 3219 N. San Fernando Rd., Burbank, Calif. The telephone number is THORNWALD 4-2485.)
